ViewMaster M HD Slat Wall Bracket 036

Designed for Heavy Duty applications such as dual monitor arms or extended monitor arms. Not all slat rails are strong enough to carry monitor arms and monitors with a combined weight of up to 15/20kg By widening the clamp capacity, the force which the arm and bracket will apply on the slat rail will be spread over a larger area.

- Wallmount for slat walls
- For heavy duty applications or weaker/flexible slat walls
- Double brackets spread the force over larger surface area
- Easily adjustable/removable
- Compact design
- Die cast aluminium
- Double hardened steel clamping brackets
- Slat wall protecting nylon surface
- Clamp capacity 30mm
- Clamping bracket depth 8mm
